Summit Nutritionals International
29 Rockaway Road
Lebanon, NJ 08833

Dear Dr. DePaço,

On behalf of the Members of Hunterdon County PBA Local 188, I wish to extend my sincere gratitude to you for your thoughtful and generous donation of a new 7 X 12 3500 Tandem Axel event and incident support trailer, with a total project cost of \$18,495 to the local. We look forward to seeing the positive impacts the use of this trailer will have within the communities we serve while attending events and enhancing our fundraising opportunities. Hunterdon County PBA Local 188 being a 501c3 nonprofit supports over 100 members of the Hunterdon County Law Enforcement communities serving 9 wonderful communities. With your support we will be able to continue to support those communities and our members in the time of need.

Hunterdon County PBA Local #188 and its members are forever grateful to have such a supportive friend of the PBA in our community to allow for the purchase of this trailer. We cannot thank you enough for your continued support to Law Enforcement, The PBA, and its members. In this ever changing and challenging time for Law Enforcement Officers, knowing we have community members having our back is a great comfort. Thank you for **Backing the Blue**.

Fraternally yours,

Brian M. McNally, President
Hunterdon County PBA Local 188
